H.I.B. – Harassment, Intimidation, & Bullying Law

NJ Anti-Bullying Bill of Rights Act (ABR); 2011

N.J.S.A. 18A:37-13 et seq.

- Legislative Intent of ABR

- to provide “a safe and civil environment in school (that) is necessary for students to learn and achieve high academic standards.”

- to strengthen standards and procedures for preventing, reporting, investigating and responding to incidents of HIB that occur in school and off school premises.

- to reduce risk of suicide among students.

Is it Harassment, Intimidation and Bullying (HIB) or Conflict?

Know the HIB definition and all of its parts:

- Motivated by an actual or perceived distinguishing characteristic;
- Substantial disruption or interference with either the orderly operation of the school or the rights of other students;
- The result: (a) causes physical or emotional harm, or
(b) is insulting or demeaning, or
(c) creates a hostile educational environment.

What to do if you suspect bullying:
