

Dear Theunis Dey Families,

'Tis the season to think of others and help out if you can! Our school will be participating in a kindness and caring endeavor called the GIVING TREE.

The GIVING TREE is an artificial tree that will be set up in the entrance of our school. The tree will display ornaments, which will have toy or clothing needs written on them. These are from families in our community that could use help this holiday season.

If you wish to participate, take an ornament off the tree and purchase the item written on the ornament. Please wrap the gift and tape the ornament onto the outside of the package. Bring in the wrapped present and place in the large box set up next to the tree. You may send in the present with your child as well.

The tree will be set up with ornaments beginning on Thursday, November 16th. Please have your gift returned to the school by December 18th.

If you have any questions, contact Jill DiCerbo (201) 723 9318.

Thank you in advance for your kindness. Happy Holidays!

Sincerely,

Theunis Dey PTO
